

WEB DEVELOPMENT CLUB

SEMINAR

The Web Designing Club organized a seminar titled “FuturePay Skills – The AI Way” on 22nd January 2026. The programme was coordinated by Mrs. N. Poornima, Coordinator, Web Development Club, and the session was delivered by Mr. Sham Roshan R, Head of Marketing, Propaity.

The seminar focused on the role of Artificial Intelligence in shaping future career skills and industry requirements and was highly interactive and informative.

PRESENTATION

The Web Development Club of Sri Ramakrishna Polytechnic College proudly presents **Idea 2 Web**, an exciting platform designed to spark creativity and innovation among students. This event encourages participants to transform real-world problems into impactful web-based startup ideas.

In today's digital era, every challenge can be turned into an opportunity through technology. *Idea 2 Web* aims to nurture problem-solving skills, entrepreneurial thinking, and user-centric design approaches without requiring prior coding knowledge.
